CONCURRENT BREAKOUT SESSIONS — ROUND 2

Room 1

When Your Data Lies to You:

The Inventory accuracy, reconciliation failures, and the cascading cost of bad numbers in commercial decisions – and how to build systems that catch errors before they compound.

Recommended for: retailers, co-ops, consultants, feed managers and other agribusiness leaders.

Room 2

Feed as a Financial Instrument:

How the best operators treat feed procurement like treasury management – timing, supplier relationships, contract discipline, and exposure management.

Recommended for: livestock producers, integrators and veterinarians.

Room 3

Traceability as Competitive Advantage:

Beyond compliance – how documentation and end-to-end visibility create commercial leverage, reduce dispute risk, and strengthen relationships across the chain.

Recommended for: leaders in supply chain, logistics, procurement, shipping and carrying.

Room 4

The Next Disruption Nobody Is Talking About:

A deliberately provocative look at underappreciated risks: climate volatility, technology displacement, demographic shifts in farm ownership, and global demand realignment.

Recommended for all.

11:45am – 12:30pm

AUDIENCE Q&A with PANEL: Unfiltered: The Hot Takes Nobody Puts in a Slide Deck

12:30pm – 1:00pm

Takeaway Lunch & Farewells

1:00pm – 4:00pm

Product & User Meetings Facilitated by Ever.Ag Product & Customer Success teams – roadmap updates, peer discussion, and user feedback. Optional attendance, RSVP with Ever.Ag representative required.
